

INTERAIR PTY LTD.
A.C.N. 005 884 042

Trial Introductory Flight

Interair offers a short, ½ day Trial Introductory Package for **\$200.00** (including GST).

The course consists of a ground briefing on basic aircraft controls and major cockpit features, followed by the flying lesson, carried out in our Cessna C172, one of the safest and the most popular light aircraft in the world. The aircraft is equipped with fully-duplicated controls, and your friendly, experienced instructor will be your tour-guide.

You can safely fly around Melbourne CBD with the aircraft under **YOUR** own control!!
Make sure that you have a camera with you!!

Also available as a Gift Certificate.

An Ideal present for that special occasion!!

Speak to one of our friendly staff for more details

Price Current as of July 2009
Subject to change without notice.
